Dear Neighbor,

You are receiving this flyer because you live near the Van Hasseltlaan. As you may know, the buildings on the Van Hasseltlaan are being redeveloped. After a short pause, DUWO is continuing with research in the neighborhood and a participation program.

On behalf of DUWO, we, Muzus, would like to discuss the plans with you. We will be doing this at different times and locations in the neighborhood to speak with as many people as possible. We will start with the streets listed below.

Our team will be available with a booth at:

Van der Slootsingel Wednesday June 26th - 12:00 - 17:00

Foulkeslaan Thursday June 27th - 16:00 - 20:30

*These time periods are located within the indicated red areas on the map.

We are curious about your thoughts and ideas on various themes. Will you talk to us?

On behalf of
Research and Design Agency Muzus,
Heleen, Wouter, Asja, and Eva
